

WARRANTY CARD

§ 1. How to proceed to keep the warranty

1. It is necessary to ensure that during the warranty period the service, inspection and maintenance works recommended by the seller are performed only at the seller's premises.
2. Please report any failures covered by the warranty immediately and take the vehicle to the seller's office at ul. Koszalińska 1 in Mścice/Koszalin, Poland.
3. Who to contact in the event of a failure covered by the warranty?

Ul. Koszalinska 1

76-031 Mścice

Mobile: +48 601 193 038

Email adress: cars@verde.pl

§ 2. Subject of the guarantee

1. The seller grants you, as the owner of the vehicle, a car warranty for the vehicle specified in the warranty. On its basis, repairs required due to the occurrence of material defects, failure of parts or production defects will be made only at the seller's premises, otherwise the warranty will be lost.
2. The car warranty **is valid for a period of 2 years** from the date of delivery of the car from the seller's premises.
3. The buyer is obliged to carry out paid inspections at the seller's premises at least once a year or to 1000 km, and then every 5000 km.
4. The buyer is obliged **to deliver the car to the seller's headquarters at his own expense** in order to carry out inspections and remove any defects found.

§ 3. The warranty covers repair

1. Engine: cylinder block, cylinder head
2. Manual and automatic gearboxes
3. Steering system with front and rear suspension
4. Axle drive
5. Brakes
6. Fuel system

7. Electrical system
8. Consumer electronic
9. Upholstery, shock absorbers

§ 4. The warranty does not cover warranty repair or reimbursement in the event of the following damages

1. Damage caused by any factor or external influence of any type, e.g. :
 - an accident (ie an incident resulting from the direct and sudden action of an external mechanical force);
 - act on purpose, in bad faith or misappropriation;
 - action of natural forces, stone impact, fire or explosion;
 - acts of war of any kind, civil war, riots, strikes, lockouts, confiscation or other government interventions, or the operation of nuclear energy;
 - abnormal use or excessive use of the vehicle (e.g. motor sports, overloading);
2. Damage resulting from wear and tear ("wear and tear") means that a part of the vehicle must be replaced regularly due to its function and / or mileage, e.g. tires, candles, wiper blades, brake pads, brake discs, shock absorbers, bulbs, etc.)
3. Damages caused intentionally or as a result of gross negligence, or if there was a bad faith attempt to conceal facts that are causally related to the failure or the amount of repair costs (e.g. change of the odometer reading);
4. Damage resulting from changes to the original vehicle structure or installation of external parts or additional accessories
5. The warranty for external elements such as chrome, varnish and others will expire if the car is transported in an open trailer.
